There is a workaround, luckily!

Let your colleagues gamble **legally** with pre-distributed Casino Chips and **without exchanging money.**

Let them have fun and reward them with **colourful prizes** at the end of the event.

PRE-DINNER COCKTAIL MAKING

The evening starts with a presentation by our bartender to introduce the different kinds of spirits to show **methods and techniques of mixing cocktails.**

During this part, participants watch and learn.

It is the tiny little bit of learning you provide them before an adrenaline-laden **party night.**

Your best **salesmen present the cocktail** under the watchful eyes of the audience.
